The 1st Annual

MID-ATLANTIC SHOULDER AND ELBOW

Society Meeting

SEPTEMBER 30, 2011

The Ritz Carlton, Washington DC
1150 22nd Street, N.W.
Washington, D.C. 20037

Presented by
**THE MID-ATLANTIC SHOULDER
AND ELBOW SOCIETY**

Course Description

The MASES course lectures are by nationally recognized experts in the field of shoulder and elbow treatment from the Mid-Atlantic region. They will provide in-depth coverage of the latest non-surgical and surgical modalities for your patients. The course will also provide opportunity for personal interaction with pre-eminent internationally recognized leaders in this area. This course is directed towards orthopaedic surgeons and residents, athletic trainers, physical therapists, advanced practice nurses, physician's assistants, and physicians with a particular interest in shoulder and elbow disorders.

Course Objectives

Review critical treatment issues in the management of shoulder instability, rotator cuff tears, and the proper utilization of shoulder arthroplasty. The course will also cover the management of patients with common and complex elbow disorders. This course will provide updates on the most recent advances in the management of shoulder and elbow patients. The course will also provide practical and interactive learning opportunities for participants.

Registration Fee

- Physicians \$400
- Residents/Allied Health Professionals \$200

Please register via: [Registration Form](#)

Registration deadline August 31, 2011
